3DS ENOVIA

3DEXPERIENCE

3DSWYMER

OBJECTIVE:

3DSwymer unites everyone in the value network into the framework for sustainable innovation.

3DS DASSAULT SYSTEMES

OVERVIEW

The **3DSwymer** role delivers the underpinning apps and services that digitally connect all users in the value stream, to establish social communities with consumers and customers to share, experiment and innovate effectively.

The **3DSwymer** role is the cornerstone towards achieving a data-driven, model-based framework for sustainable innovation.

CLOUD & ON PREMISE CAPABILITIES

3DCompass

Access the **3D**EXPERIENCE solutions, roles, apps and services.

3DDashboard

Bring information from diverse sources into customizable web pages. You can organize, and present your content, and share experiences with others using dashboards and widgets.

3DSwym

Reveal the power of communities and conversations to share and innovate throughout internal and/or external ecosystems. Lead your company to be more agile and innovative by providing intuitive content creation tools and social interaction.

3DSearch

The search tool of the platform allows you to perform a simple full-text search, control the display of search results, restrict the search scope, and refine your query with filters using Advanced Search or 6WTags.

3DPlay

Leverage an intuitive navigation experience on several platforms, to discover document content and 3D models with their associated experiences in real-time.

3DNotification

Send real-time notifications between users or through specific apps. Configure the 3DNotification according to your own needs.

CLOUD ONLY CAPABILITIES

3DDrive

Securely store, access and share files online from any device and any computer.

My3DEXPERIENCE

Easily access your content from the Compass. My**3D**EXPERIENCE follows security rules, so you only see content you are allowed to see.

3DSketch

Draw your ideas in 3D. The drawing tools provided in 3DSketch allow you to create a 3D brief quickly and easily. You can create your sketch from scratch, or use an existing image or 3D model as support.

3DStory

Turn your ideas into stunning stories, using templates, fonts, colors, images, animated GIFs, videos, and 3D models from your 3DSwym communities.

User Groups

Manage a centralized list of groups that can be used by any user group compatible app available in the **3D**EXPERIENCE platform.

Our **3D**EXPERIENCE® platform powers our brand applications, serving 11 industries, and provides a rich portfolio of industry solution experiences.

Dassault Systèmes, the **3D**EXPERIENCE® Company, provides business and people with virtual universes to imagine sustainable innovations. Its world-leading solutions transform the way products are designed, produced, and supported. Dassault Systèmes' collaborative solutions foster social innovation, expanding possibilities for the virtual world to improve the real world. The group brings value to over 290,000 customers of all sizes in all industries in more than 140 countries. For more information, visit **www.3ds.com**.
